THE BAR GUYS

Die Jungs hinterm Tresen sind Patrizio und sein Team. Der lange Barkeeper sieht unserem Prinz schon ein bisschen ähnlich. Das war Zufall. Was keiner war: dass er hier ist. Einst war er in der großen Welt und shakte Drinks in der Bar Tausend in Berlin und in der bekannten Kinly Bar in Frankfurt. Aber wie fast jeder Südtiroler wollte auch er ins Heimatland zurück, um sein eigenes Ding zu drehen. Das tut er jetzt. In der Prinz Bar. Mit all der Erfahrung aus dem verrückten Großstadtleben. Cheers!

I ragazzi dietro il bancone sono Patrizio e la sua squadra. Quel barista alto assomiglia un po' al nostro principe. È stata una coincidenza. Quello che non è stata una coincidenza è che lui sia qui. In realtà, si trovava nel grande mondo e preparava i drink nel Bar Tausend di Berlino e ha collaborato con il famoso Kinly Bar di Francoforte. Ma come quasi tutti gli altoatesini, non ha resistito al richiamo di casa. E ora lo sta facendo. Al Prinz Bar. Con tutta l'esperienza della folle vita delle grandi città. Salute!

The guys behind the counter are Patrizio and his team. That tall bartender looks a little bit like our prince. That was a coincidence. What wasn't was that he's here. Actually, he was in the big world and shaking drinks in the Bar Tausend in Berlin and in the famous Kinly Bar in Frankfurt. But like almost every South Tyrolean, he wanted to come back to his homeland to do his own thing. And now he is doing it. In the Prinz Bar. With all the experience from the crazy big city life. Cheers!
